

Regular Town Council Meeting

August 25, 2026

Regular Town Council meeting materials included agenda items concerning a Public Works Director appointment, acceptance of the 2025 Consumer Confidence Water Report, Oak Street resurfacing, and hydrant flushing closeout. The meeting transcript records discussion and action on those items.

Meeting Call to Order and Agenda

The regular meeting was opened in Council Chambers with the agenda posted as required. The council approved the agenda and also approved the consent agenda, which included prior minutes and routine claims.

Public Works Director Appointment

The council considered Resolution 2026-18 appointing Elena Torres as Public Works Director effective September 8, 2026. The transcript notes discussion of the recommendation and that the motion passed by roll call vote.

2025 Consumer Confidence Water Report

The council received the 2025 Consumer Confidence Water Report and considered publication of the report by August 28, 2026 at the posted document location. The transcript describes staff summary and subsequent council action.

Oak Street Resurfacing

The council considered the Oak Street resurfacing schedule, with work described as beginning September 14 and reaching substantial completion by October 2, 2026. The transcript also describes local access, daytime flagger traffic, and advance notice for two brief intersection closures.

Seasonal Hydrant Flushing Closeout

The council received a closeout report for seasonal hydrant flushing completed on August 21, 2026 and authorized removal of the temporary website notice. The transcript indicates the notice was removed after unanimous action.

Adjournment

No additional public comment was received, and the meeting adjourned later in the evening.
